Hí Kathy,

I must say you have been AMAZING!!!  
Thank you so much to both you and Dr.  
Lipani. I thought doctors and nurses like the  
two of you were a thing of the past. Trust me,  
you are a rare find and a treasure.

I will call to arrange the date for my MRI now  
that you got the insurance approval. I will let  
you know when I am scheduled and will call  
to make a follow up appointment.

Thank you again for everything! :)

K.P.
